Professional Summary

Growth and demand generation marketer with 6+ years of B2B SaaS experience owning full-funnel, multi-channel programs for enterprise audiences. Proven track record building demand engines from 0-to-1 for new product lines, running ABM at scale, and managing 7-figure budgets across paid, field, and digital channels. AI-fluent operator who applies LLM tooling to accelerate marketing ops and cross-functional GTM execution.

Professional Experience

CrowdStrike | San Diego, CA (Remote)

Sr. Growth Marketing Specialist, Enterprise April 2024 - Present

- Lead full-funnel, multi-channel demand generation for Enterprise and Strategic accounts across North America, partnering with 12+ regional marketers to localize and execute programs across paid media, ABM, and field events.
- Own a 7-figure annual budget and full-funnel performance across all channels; run a weekly pipeline review cadence with senior marketing and sales leadership, turning source-level funnel and channel data into real-time budget reallocation decisions.
- Design and run 1:1, 1:Few, and 1:Many ABM plays in partnership with Enterprise and Strategic SDR leadership, aligning outbound sequences with marketing programs — improved lead-to-meeting-booked ratio by 20%.
- Lead regional GTM strategy for CrowdTour Americas, building repeatable frameworks for event promotion and follow-up across 25+ regional field events per year, driving $40M+ in annual pipeline.
- Apply AI tooling to automate marketing ops workflows and accelerate campaign execution; serve as AI adoption champion for the Global Growth Marketing team, building agent workflows and prompt libraries.

Vibes | San Diego, CA (Remote)

Demand Generation Manager (promoted) March 2022 - April 2024

- Launched, grew, and optimized an account-based marketing strategy, resulting in $2.3M in closed/won opportunities within the first year
- Built and scaled the marketing strategy for a new business unit (Vibes Connect), scaling to 25% of company ARR.
- Efficiently managed 7-figures in advertising spend across digital channels, including Google, LinkedIn, and display, consistently contributing to an average of 35% of the overall pipeline
- Oversaw all marketing operations and achieved 6-figures in cost savings in 2023 by consolidating the tech stack
- Assisted in managing the Business Development team and coordinated strategic outreach to target accounts

Business Development Representative September 2020 - February 2022

- Generated $4m+ in qualified pipeline through inbound and outbound engagement
- Booked the most outbound discovery meetings on a team of 4 BDRs in 2021
- Averaged 110% of quota for 6 consecutive quarters

AI, Analytics & GTM Systems

- Fluent in applying AI tools (ChatGPT, Claude, Gemini) and AI-powered features within GTM platforms to accelerate workflows, build agentic tooling, and automate repetitive marketing ops tasks.
- Highly proficient in Excel and Google Sheets, including complex data manipulation and pivot tables for funnel and channel performance analysis.
- Hands-on experience across the marketing and sales technology stack, including Salesforce, Marketo, Demandbase, 6sense, Outreach, Salesloft, ZoomInfo, Drift, LinkedIn Campaign Manager, Sales Navigator, Knak, and Webflow.

Education

Northwestern University | Evanston, IL

Bachelor of Science in Communication Studies
Minor: Business Institutions | Certificate: Integrated Marketing Communications

- Northwestern University Men's Varsity Soccer. Selected as team captain for the 2019 season.
